## Communication Disorders and Sciences Expert Seminar Series

### Seminar on “Incorporating Counselling into Speech-Language Pathology: An Insider’s Perspective on Clinical Application”

By **Dr Renee Ip, Speech-Language Pathologist and Counsellor**

To enhance the academic exchange on communication disorders and sciences, The Department of Otorhinolaryngology, Head and Neck Surgery & The Institute of Human Communicative Research of The Chinese University of Hong Kong are going to organize a series of expert seminars on the communication disorders and sciences from 2017.

The kick-off seminar of the series presented by **Dr Renee Ip** on topic “**Incorporating Counselling into Speech-Language Pathology: An Insider’s Perspective on Clinical Application**” aims to introduce the fundamental conceptual framework of counselling and pertinent theories in relation to their application to understanding and clinical management of various communication disorders. Cases will be delineated to illustrate how certain counselling concepts and techniques were used to enhance the effectiveness of speech-language pathology practices.

## About the Speaker

### **Dr Renee Ip**

Dr Ip is an experienced Speech-Language Pathologist and Counsellor. She has been an avid clinician for 30 years in North America and Hong Kong. As a linguist, a counsellor and a speech-language pathologist, Dr Ip has helped numerous students from various ethnic backgrounds with language learning difficulties and supported their teachers and parents. She travels internationally to speak on language acquisition, parenting and communication in the home. While in Toronto, she also hosted educational programs on the radio and spoke as a guest speaker on television programs.

**Venue:** Lecture Theatre 6, 2/F Yasumoto International Academic Park (YIA),  
The Chinese University of Hong Kong, Shatin, NT, Hong Kong
