

Speech Therapy Professional Seminar

“Assessment and Treatment of Childhood Apraxia of Speech” cum Briefing Session of SIE project

言語治療專業講座〈兒童言語失用症的評估及治療〉暨社創基金資助計劃簡介會

The Division of Speech Therapy, Department of Otorhinolaryngology, Head and Neck Surgery, The Chinese University of Hong Kong (CUHK) has recently been funded by Social Innovation and Entrepreneurship Development Fund (SIE Fund) on a project to disseminate the Division's research findings about severe speech sound disorder (SSD) including childhood apraxia of speech to local speech therapists. This professional seminar aims to share the Division's newly proposed diagnostic methods and treatment programme for Cantonese-speaking children with severe speech sound disorder.

Free Registration on or before 23 April:
